

Nationwide Targeted Outreach Campaign

An informational brochure highlighting recent ARRA program changes will be arriving in mailboxes nationwide through September. This mailing is specifically for individuals receiving trade benefits that may be eligible for the HCTC. The brochure highlights the increased affordability and accessibility of the program. New in August!

On the heels of the recent tax credit increase to 80%, comes more good news for many participants.

As of August 17, monthly HCTC Program participants and those in the registration process can request reimbursement for payments made for their health insurance while they were enrolling in the HCTC. The reimbursement will appear as a credit on the participants' accounts, allowing them to use these funds for future monthly payments.

Coming in January 2010!

- Continued coverage for qualified family members

Coming soon:

Virtual Training Sessions

The HCTC Program is committed to supporting our partners. We want you to have the information you need to help those you serve understand the benefits of the HCTC Program.

In response to requests we have received from around the country, we are launching a nationwide training initiative for state coordinators. Look for an invitation to an interactive virtual training session to learn more about support materials that are available to you.

HCTC Survey

You may receive a survey in the near future asking a series of questions about the program and how we can better support you. Please take the time to complete this brief questionnaire, as your responses will be used to create training and support materials.
